**§ 4650. Basis of Direct State Intervention.**

(a) Except for complaints under sections 4680, 4681, 4682 and 4683 regarding instructional materials, teacher vacancies or misassignments, and condition of a facility, the CDE shall directly intervene without waiting for LEA investigation if one or more of the following situations exist:

- (1) The complaint includes an allegation, and the CDE verifies, that an LEA failed to comply with the complaint procedures required by this Chapter and its local rules and regulations, including, but not limited to, the failure or refusal of the LEA to cooperate with the investigation;
- (2) The complaint relates to an agency that is not an LEA funded through the Child Development or Child Nutrition Programs;
- (3) The complainant requests anonymity because he or she would be in danger of retaliation and would suffer immediate and irreparable harm if he or she filed a complaint with the LEA (except for complaints regarding pupil fees, which may be filed anonymously with the principal of a public school);
- (4) The complainant alleges that the LEA failed or refused to implement the final decision resulting from its local investigation or local mediation agreement;
- (5) The complainant alleges and the CDE verifies that through no fault of the complainant, no action has been taken by the LEA within 60 calendar days of the date the complaint was filed. Prior to direct intervention, the CDE shall attempt to work with the LEA to allow it to complete the investigation and issue a Decision.
- (6) The complainant alleges and the CDE verifies that he or she would suffer immediate and irreparable harm as a result of an application of a district-wide policy that is in conflict with state or federal law covered by this Chapter, and that filing a complaint with the LEA would be futile.
- (7) For complaints relating to special education, any one of the following shall be a condition for direct state intervention:
  - (A) The complainant alleges that a public agency, other than an LEA, as specified in Government Code section 7570 et seq., fails or refuses to comply with an applicable law or regulation relating to the provision of free appropriate public education to individuals with disabilities;
  - (B) The complainant alleges that the LEA or public agency fails or refuses to comply with the due process procedures established pursuant to federal and state law and regulation; or has failed or refused to implement a due process hearing order;
  - (C) The complainant alleges facts that indicate that the child or group of children may be in immediate physical danger or that the health, safety or welfare of a child or group of children is threatened.
  - (D) The complainant alleges that an individual with a disability is not receiving the special education or related services specified in his or her individualized educational program (IEP).

(E) The complaint involves a violation of federal law governing special education, 20 U.S.C. section 1400 et seq., or its implementing regulations.

(b) The complaint shall identify the basis, as described in subdivision (a) above, for filing the complaint directly to the CDE. The complainant must present the CDE with clear and verifiable evidence that supports the basis for the direct filing, except as in subdivision (a)(7).

All complaints shall be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR [4630](#))
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. (Education Code [49013](#), [52075](#)) A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code [49013](#), [52075](#); 5 CCR [4630](#))
3. A complaint alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may be filed only by persons who alleges that they have personally suffered unlawful discrimination or who believe that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint shall be initiated no later than six months from the date that the alleged discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR [4630](#))
4. When a complaint alleging unlawful discrimination or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant or alleged victim of unlawful discrimination or bullying requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

### **Mediation**

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of a sexual assault or where there is a reasonable risk that a

party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation, unlawful discrimination, or bullying, the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

### **Investigation of Complaint**

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. To resolve a complaint alleging retaliation, unlawful discrimination, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the

complainant.(5 CCR [4631](#))

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR [4631](#))

### **Timeline for Final Decision**

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. If the complainant is dissatisfied with the compliance officer's decision, the complainant may, within five business days, file the complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

*(cf. 9321 - Closed Session Purposes and Agendas)*

*(cf. 9321.1 - Closed Session Actions and Reports)*

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR [4631](#))

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant, also shall be sent the district's final written decision, and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

### **Final Written Decision**

For all complaints, the district's final written decision shall include: (5 CCR [4631](#))

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:

  - f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination, including discriminatory harassment,

intimidation, or bullying, the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. How the misconduct affected one or more students' education
  - b. The type, frequency, and duration of the misconduct
  - c. The relationship between the alleged victim(s) and offender(s)

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, and bullying, based on state law, the decision shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint

procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code [262.3](#))

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code [262.3](#))
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at [www.ed.gov/ocr](http://www.ed.gov/ocr) within 180 days of the alleged discrimination.

## **Corrective Actions**

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies, training for faculty, staff, and students, updates to school policies, or school climate surveys.

agreement.

(*cf.* 4118 - Dismissal/Suspension/Disciplinary Action)

(*cf.* 4218 - Dismissal/Suspension/Disciplinary Action)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, including discriminatory harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians. (Education Code [49013](#), [52075](#))

For complaints alleging noncompliance with the laws regarding student fees, such remedies, where applicable, shall include reasonable efforts to ensure full reimbursement to affected students and parents/guardians. (Education Code [49013](#); 5 CCR [4600](#))
