# 45-day Budget Revision to 2020-21 Adopted Budget

August 11, 2020

## **TUHSD Impact of Governor's 'May Revision' Budget**

- <u>For TUHSD</u>, significant implications include:
  - Basic aid district 'fair share reduction' proposed in trailer bill language
    - In 2009, TUHSD's 'fair share reduction' was \$2.6M of \$3.3M in Minimum State Aid
    - In 2020-21, TUHSD projected to receive \$704k in Minimum State Aid
      - Analogous to 10% reduction for LCFF districts, a potential 10% 'fair share reduction' for basic aid districts equates to a \$70.4k given current trailer bill language
  - No change to state Special Education funding
  - Reduced funding by 50% for CTEIG & K12/SWP programming (vocational education) & 12% for adult education
  - Reallocation of state pension funding of \$2.3B from paying down unfunded liability to STRS/PERS employer rates
    - STRS employer rate reduction of 2.25% & 2.18% in '20-21 & '21-22 respectively (one-time savings for 2 years)
    - PERS employer rate reduction of 1.93% & 2.16% in '20-21 & '21-22 respectively (one-time savings for 2 years)
- Nothing is final until the State Legislature passes and enacts a State Budget by June 15th
  - Expected Governor's 'August Revision' given personal income tax extension to July 15th
  - As a result, a TUHSD 45-day budget revision likely in Fall to include any significant changes
