Every student should have a yearbook to remember this year, but cost may prohibit some.

# Become a Yearbook Angel

Consider purchasing a yearbook our school can give to a student who might not otherwise receive one.

## How to Help

1. Go to [yearbookforever.com](http://yearbookforever.com) and enter our school name.
2. When you purchase, simply put "Yearbook" for the first name and "Angel" for the last name.
3. Before distribution, our administration and guidance department will compile a confidential list of deserving students, prioritizing seniors first.
4. Around the time of distribution, the yearbook adviser or administrator will reach out privately to students who will receive donated books and let them know that a yearbook was purchased on their behalf.

## Questions?

Reach out to the yearbook adviser today for more information.

**Thank you for your help in ensuring every student gets a yearbook!**
