2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

San Andreas Mission Statement: San Andreas High School students challenge themselves, discover their passions, apply knowledge, and demonstrate a commitment to personal and intellectual growth as they pursue their goals and aspirations. Students meet or exceed rigorous expectations.

San Andreas High School is the Tamalpais Union High School District's continuation school, and is one of a number of alternative programs in the district. San Andreas is an accredited high school from the Western Association of Schools and Colleges and is recognized as a Model Continuation High School.

San Andreas High School has a maximum enrollment of 90 students. Students come to San Andreas from Tamalpais, Sir Francis Drake, Redwood, and Tamiscal High Schools. These students are referred to San Andreas because their needs may be better addressed in an alternative continuation school setting.

The instructional staff consists of a full time principal and 6 FTE credentialed teachers, two of which are special education teachers (one Resource Teacher and one Counseling Enriched Classroom Teacher). The resource teacher is supported by one instructional assistant and the Counseling Enriched Classroom Teacher is supported by two instructional assistants. Other support staff include a full-time school psychologist, a full-time counselor, a part-time college & career specialist, a part-time health counselor, a one day a week "School to Career" counselor, campus staff assistant, attendance clerk and a full-time secretary.

San Andreas provides a rich curriculum that is aligned with the district and state graduation requirements. There are classes in English, science, math, and social studies. Class sizes are relatively small (average 13 to 1) and instruction is differentiated to meet individual student needs. Students attending San Andreas are required to complete all Tam District and State outcomes for graduation.

The majority of students at San Andreas have encountered challenges in their previous schools. Our staff is very experienced, and prides itself on its ability to help students thrive in a school setting. There is an emphasis by all staff to meet the social emotional needs of our students by using trauma informed practices and culturally responsive teaching practices.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

| Authorization/Assignment | 2019-20 |
|--|---------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | |
| Intern Credential Holders Properly Assigned | |
| Teachers Without Credentials and Misassignments (“ineffective” under ESSA) | |
| Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) | |
| Unknown | |
| Total Teaching Positions | |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment | 2019-20 |
|--|---------|
| Permits and Waivers | |
| Misassignments | |
| Vacant Positions | |
| Total Teachers Without Credentials and Misassignments | |

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator | 2019-20 |
|---|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | |
| Local Assignment Options | |
| Total Out-of-Field Teachers | |

2019-20 Class Assignments

| Indicator | 2019-20 |
|--|---------|
| Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned) | |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | |

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The district uses a curriculum review and development process that ensures all district curriculum is compared to state content standards at least every five years. The selection and evaluation of the instructional materials is coordinated with the process for curriculum development. This curriculum cycle also provides opportunity to update supplementary and electronic instructional materials. All students in the district are provided copies of and access to standards-aligned textbooks and other instructional resources, which have been adopted by the governing board of the Tamalpais Union High School District and curriculum frameworks are consistent with those adopted by the California State Board of Education in the core areas of English Language Arts, Mathematics, Science, Social Science, World Language and Health.

The district's textbook and instructional materials purchase process assures that student enrollments, by course, are used to determine the numbers of copies of books to order so that each student has his/her own materials to use at school and at home. Instructional materials are selected after courses of study are reviewed and updated, to ensure that they are aligned with the state content and performance standards for that course. The district also has established a standard equipment list for all science classes to ensure that each science lab is equitably equipped with the necessary laboratory equipment.

Year and month in which the data were collected

12/2020

| Subject | Textbooks and Other Instructional Materials/year of Adoption | From Most Recent Adoption ? | Percent Students Lacking Own Assigned Copy |

| Science Laboratory Equipment (grades 9-12) | Adopted in accordance with Curriculum Cycle | Yes | none |

School Facility Conditions and Planned Improvements

The District makes considerable efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a school facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the at the district office.

In 1998, the district's Long Range Facilities Planning Committee developed specific standards for all district facilities in the areas of building integrity, mechanical and plumbing systems, electrical system, structural safety, accessibility, educational technology, and instructional facilities (classrooms, science labs, libraries, multi-use facilities, visual arts rooms, gyms, athletic fields,) teacher work areas, food service, paving and drainage, landscape and irrigation. The results of this study are published in the District Facilities Master Plan.

San Andreas High School was modernized in 2005-06 as part of a \$121 million dollar facilities bond measure approved by the Tam District voters. Approximately three million dollars was spent to remodel the complete San Andreas twelve-room campus. A new art/workshop facility was completed in February 2009. The current status of the District modernization work can be checked at the tamdistrict.org website.

The Director of Maintenance has established a regular standard for cleaning all district facilities. A custodial staff with assigned routes cleans and maintains all campus areas on a regular basis. Classrooms, offices and restrooms are cleaned every day.

An on-line Maintenance Work Order system has been implemented to report and monitor status of maintenance requests. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Roofing, plumbing, paving, heating, painting are typical projects funded in this manner. The district's five-year deferred maintenance plan is available from the Director of Maintenance and Operations.

A campus assistant and administrator are on duty supervising the campus before, during, and after school. They routinely monitor the entire campus, including surrounding streets. The school has a system for visitor check-in with signs posted to direct the public to the office. Procedures are in place to handle unauthorized access during the school day.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

2020-21 Career Technical Education Programs

San Andreas is committed to supporting all students in developing a plan for post graduation. As part of the school plan every student attending San Andreas has a Personal Growth Plan (PGP) that includes sections in which student can participate in - internships, job-shadows, and college and community activities. Teacher- advisers work with students to monitor their participation in post graduation career planning. Students are required to participate in a job skills inventory program as part of their PGP. Throughout the school year the School to Career counselor and the College Career counselor work together in conjunction with the organization 10,000 Degrees. They focus on career planning, career information, and preparation for students seeking both college and entry into the workforce. The size and structure of San Andreas does not allow for the traditional CTE 4 year continuous cycle of courses. Instead, students attending SA participate in programs both on-site and off site at our larger comprehensive schools that may be part of the CTE cycle but this is not reflected in student data.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

| Grade Level | Percentage of Students Meeting Four of Six Fitness Standards | Percentage of Students Meeting Five of Six Fitness Standards | Percentage of Students Meeting Six of Six Fitness Standards |

| Grade 5 | N/A | N/A | N/A |
| Grade 7 | N/A | N/A | N/A |
| Grade 9 | N/A | N/A | N/A |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

San Andreas Staff Parent Liaison, David Luongo: 415-945-3786

San Andreas welcomes parent involvement in its advisory committee/site council. Through this group, parents receive information to support students in areas such as college preparation, drug and alcohol abuse, and graduation. Parents contribute to the program by raising funds to support the academic program, school-wide celebrations and student scholarships. The San Andreas Parent Advisory group/site council meets 4 times per year.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |
|--------------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 2.46 | 0.95 | 2.61 | 0.19 | 3.47 | 0.20 |
| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The school's Safety Plan is on file in the principal's office. The safety plan is reviewed and updated each year. Staff roles and staff responsibilities are reviewed at fall staff meetings and throughout the year at staff-meeting updates. The principal of San Andreas attends district -wide facility and safety meetings held throughout the year. Drills are held regularly to prepare staff and students for various kinds of emergency situations. Each classroom has a school disaster pack with food, basic first aid supplies, and equipment. The school site is equipped with safety/security cameras. A public address system is also in place to help support the safety program within the school. The school has a strong working relationship with local law enforcement and emergency services in both Larkspur and Corte Madera. The relationship ensures clear channels of communication and up-to-date information. Crisis counseling can be provided as needed by San Andreas staff and District support services.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development

The Tamalpais Union High School District annually schedules 2 full-day and two minimum day staff development days during each school year. These days are instituted in primarily three ways: district-wide, district department level, and school site staff development opportunities. Recently, the district-wide staff development days have been focused on equity and culturally responsive practices. District department meetings are focused on developing performance goals, assessments to qualify student success and to develop systematic responses to supporting students when they fail to meet any or all parts of the proficiencies that District departments have agreed upon. District-wide staff development is focused on success for all students. At San Andreas High School, the site level days are used to further the work of the District and for meeting our program goal of re-engaging students to learning. Site level activities also include workshops that support our Western Association of Schools and Colleges (WASC) accreditation goals. We continue to focus on improving and developing curriculum activities that support the program goals developed across the district. Each Staff member maintains a professional development plan that is consistent with the school-wide staff development plan. Much of the site level work is developed by collaborative group work with the staff. San Andreas staff also participate fully in the district -wide departmental staff development activities.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
