

Drake HS Parking Permit Application 2019-2020

Please read below information thoroughly before filling out the application.

Permit applications are due in the School Main Office by **Monday, June 3rd at 4:00pm**. Along with the application, you will need to turn in a copy of your current, valid driver's license in order to be complete. Available permits will be awarded at the beginning of the 2019-2020 school year. Students will be notified just prior to the start of school.

Any applications turned in to the office after the deadline will be put on a waiting list. Students on the waiting list will be awarded permits **if** they become available.

Permit Selection Process:

- Priority given to carpools (3 students or more). Failure to regularly meet carpool responsibility may result in loss of privileges. Carpool drivers will specify the names of students occupying their carpool.
- Priority also based on distance from school (Grade level not a factor).
- We will also give consideration to students who have special circumstances with regard to their transportation needs (ex. work, caretaker responsibilities, dual school enrollment). These will be evaluated on a case-by-case basis.

Parking Violations:

- Students must park in their designated spot, and may NOT park in any other spot. If there is an issue or a question regarding your spot, see Mrs. Bailey-Gates in the main office.
- Violating these rules may result in the following consequences: a warning, permit revoked for one week, permit revoked for a month, and permit revoked for rest of school year.

Improperly parked vehicles may be cited and/or towed by Central Marin Police Department.

Your permit is your responsibility! If it is lost, stolen, falls off, etc., you will be charged \$5.00 to replace it.
