**TAMALPAIS UNION HIGH SCHOOL DISTRICT
PARENTAL ANNUAL NOTICE
2019-2020 SCHOOL YEAR**

Dear Parent/Guardian:

United States and California Law and, specifically, California Education Code §48980 require that, at the beginning of the first semester or quarter of the regular school term, the Governing Board of each school district must notify parents/guardians of their rights and responsibilities under certain provisions of the Education Code.

Education Code §48982 requires parents/guardians to sign and acknowledge that they are aware of their rights and responsibilities. Please sign the bottom portion of this page and return it with your student(s) when they arrive on the first day of school. Your signature only acknowledges that you have received information about your rights. (It does not indicate your consent or refusal to participate in any particular program.)

As one of Tamalpais Union High School District's cost savings measures, the full text of the *Parental Annual Notice* is now available online at www.tamdistrict.org/annualnotice, and the *Parent/Student Handbook*, which has additional information including student discipline, is also now online at your school's website. Hard copies of the *Parental Annual Notice* and the *Parent/Student Handbook* are available in the Principal's Office at your school.

Please review and sign below to acknowledge that you have been informed of your rights in the *Parental Annual Notice*. **Your student will turn this in when they arrive on the first day of school.** A separate notice must be signed by the parents for each student enrolled in the Tamalpais Union High School District. The signed notice will be kept on file.
