Supporting Information:

- Welcome to our new Parent Representatives: Natalie Bitton and Shana Katzman!
- Gentle reminder before all meetings: consider reaching out to a few of your constituents before each meeting so that your member updates reflect your views and those of the group which you represent.
- The Tam Site Council (TSC) Purpose: TSC consists of the principal, certificated representatives, classified representatives, students, and parents. The TSC meets monthly to develop, approve, and provide oversight of the school's three year plan. The TSC also provides general oversight of all categorical programs as well as direct oversight of Instructional Improvement funds. Finally, TSC

reviews and approves program proposals (e.g. school to career, small learning communities).
