

## TAMISCAL HIGH SCHOOL GRADUATION PHOTOS

Hello Tamiscal Families,

My name is Jason Todd, owner of SF Portraits, and we are honored to be photographing the 2023 Tamiscal High School graduation ceremony.

My team will be taking two photos of each graduate:

1. Graduate receiving diploma on stage (handshake photo)
2. Graduate looking at the camera holding their diploma

Both high-resolution, print ready digital images will be available for you to purchase for \$30 for one or \$45 for both. I will NOT be offering physical prints.

If you would like to pre-purchase one or both digital downloads, please click on the following link and fill out this [PHOTO ORDER FORM](#).

Ways to pay:

1. Venmo before, at, or after graduation. User profile: @jasontoddphoto
2. Cash or check at the graduation with name of graduate and email

If paying by check or cash please provide an envelope with the graduate's first and last name, email address, and which image(s) you would like from the options above.

Those that have pre-purchased will be sent their final high-res image(s) to the email provided. Families will also have the opportunity to order images after the event by filling out the form above and paying via Venmo. I will upload watermarked proof photos to a private gallery after the event. A link will be shared via email.

I also offer [private sessions for graduates](#), [business headshots](#), [weddings](#), [family portraits](#), [private events](#), and more.

With gratitude,

Jason Todd
