[Grading Periods](#)

The purpose of Advisory at Tamiscal is:

- To foster a positive school culture and build community
- To build relationships within and across grade levels and programs
- To create shared values and identity
- To provide a space for staff-led workshops on topics such as academic skills, Wellness, and College & Career
- To provide targeted academic support in areas of need
- To onboard new students and create successful independent learners
- To provide a space for student leadership such as clubs and SOAR
- To learn elements of the TUHSD graduate profile, specifically communication, cultural competence, and character

Parameters of Advisory:

- Mandatory - students report to their assigned grade level/program and classroom and stay for the duration of time

Parameters of Office Hours:

- Mandatory - students report to their assigned grade level/program and classroom for attendance
- Students across the school then have freedom to visit teachers of their choosing for targeted academic support
- Teachers may also require certain students to attend their office hours session if needed.

Criteria for Community Events: (From TUHSD Graduate Profile)

- Cultural Competence: *Community Event Participants will...*
 - Build relationships with people from other cultures and backgrounds
 - Understand and value multiple perspectives
 - Exhibit cultural competence and global awareness
 - Understand the difference between equity and equality
 - Develop racial consciousness
 - Engage civically
 - Challenge the status quo and advocate for social change
- Collaboration: *Organizers of the Community Event will...*
 - Work creatively and effectively towards common goals
 - Use interpersonal skills to build positive relationships and promote collaborative learning
 - Exercise flexibility, open-mindedness, and compromise during collaborative work
 - Incorporate group input and feedback into shared work
 - Assume shared responsibility for collective work and value individual contributions
