

Tamiscal School Foundation

Welcome back to an unusual year at Tamiscal!

While many things have started differently this year—from all virtual classes and learning via zoom and google classroom, some things remain the same, including our dedication to teaching each student and supporting their individual needs.

The Tamiscal Alternative Schools Foundation (TASF) has never been more important to support the work of the teachers, counselors and staff at Tamiscal.

We invite you to join our community in making a donation that has a direct effect on your child's education. In the past, the suggested contribution level has been \$300-\$600 per student

- Scholarships for low income students including:
- COM textbooks
- Transportation help to COM and internships
- Yearbooks

- Graduation planning & expenses
- Lab supplies for science
- Supplemental books and instructional materials
- Staff appreciation/community events
- So much more!

How can you donate?

Go to <https://www.tamdistrict.org/TASF> to donate online or mail a check to

TASF
305 Doherty Drive
Larkspur, CA 94939

Thank you!
