307H Ejection Policy

A. Notice

Every player must read and sign a copy of the NCS Ejection Policy Athlete Notification Form. Each team coach, assistant coach and/or coaching representative must read and sign a copy of the NCS Ejection Policy Coach Notification Form. The copies will be maintained by each school's administration. Each school's principal or Head of School must send a copy of the NCS Ejection Policy School Notification Form to their League Commissioner prior to the first contest of the season verifying that all players and coaches for the respective season (fall, winter, and spring) have read and signed the NCS Ejection Policy forms. Additionally, each school's principal or Head of School must verify to the League Commissioner that any future additions to the roster of either players or coaches will also read and sign the NCS Ejection Policy form prior to participating in an interscholastic contest. The principal or Head of School for Non-League Affiliate Members must send the required School Notification Form to the NCS Coordinator of Officials.

B. Procedures

Each league and Non-Affiliate Member shall establish a procedure for the reporting of player, coach or fan ejections with the official's association providing officials for home contests.

- a. The coach of the team shall notify (orally or in writing) specified school personnel whenever a player, coach or fan is ejected.
- b. The officials' association shall submit a written report to specified school personnel, the league commissioner and the NCS Coordinator of Officials within 24 hours of the ejection. The report should include the reason for the ejection(s) and identify the person(s) ejected.
- c. The lack of receipt of the ejection report from the officials' association does NOT invalidate any ejection.
- d. The NCS Coordinator of Officials will forward a copy of any ejection reports received from other CIF Sections or out of state officials associations to the involved school and League Commissioner.

C. Coaches' Responsibility

The Head Coach is responsible for determining the cause of ejection for any of their players or coaching staff members and is responsible for enforcement of the NCS Ejection Policy. Confusion over the cause of a player or coaching staff member's ejection shall not be the basis for allowing a player or coaching staff member to avoid the sanctions required by the NCS Ejection Policy.

D. Penalties

These rules and minimum penalties are applicable to players and coaches during the time that contest officials have jurisdiction for the contest in accordance with the National Federation of State High School Associations (NFHS) or sport governing body rules for the respective sport and the CIF Sportsmanship and Ejection Policy set forth in

Section 503.M of the NCS Constitution and General Bylaws. Leagues or schools may determine that a greater penalty than what is herein contained may be appropriate and they retain the right to be more restrictive in applying penalties than this policy outlines. Contests that players and/or coaches must sit out shall count as contests played, even if the contests are forfeited because there are not enough players for the school to field a team.

1. Players

A player who is ejected from a scrimmage must complete the NFHS Sportsmanship course prior to the next contest. During a scrimmage, if more than one player from a team is ejected or participates in a fight, then the team and coaches shall complete the NFHS online sportsmanship course prior to the next contest, the team shall lose one (1) practice the following week and will be put on probation for the remainder of the school year.

A player ejected from a contest for violation of a NFHS or sports governing body rule (other than assaultive behavior/fighting or leaving the bench area during a fight) shall be ineligible to participate in the remainder of the contest and the school's next contest (non-league, league, invitational tournament, post-season {league, section or state} playoff). If the ejection is for unsportsmanlike conduct, the player must also complete the NFHS online Sportsmanship course.

A player ejected a second time from a contest for violation of a NFHS or sports governing body rule (other than assaultive behavior/fighting or leaving the bench area during a fight) shall be ineligible to participate in the remainder of the contest and the school's next three contests (non-league, league, invitational tournament, post-season {league, section or state} playoff). There is also a mandatory three contest sit out associated with a second ejection. If the team participates in less than three contests during the remainder of the season, the player must sit out the remaining number of contests the next year, or if a senior, in the next season of sport. If the ejection is for unsportsmanlike conduct, the player must also complete the NFHS online Sportsmanship course.

A player ejected a third time from a contest for violation of a NFHS or sports governing body rule shall be ineligible to participate in the remainder of the contest and for the remainder of the season (includes post-season play). There is also a mandatory six contest sit out associated with a third ejection. If the team participates in less than six contests during the remainder of the season, the player must sit out the remaining number of contests the next year, or if a senior, in the next season of sport. If the ejection is for unsportsmanlike conduct, the player must also complete the NFHS online Sportsmanship course.

A player ejected for gross unsportsmanlike conduct, assaultive behavior/fighting (throwing a punch; striking an opponent with fist, locked hands, forearm or elbow;

kicking or kneeling; biting) or leaving the bench area to begin or participate in an altercation shall be ineligible to participate in the remainder of the contest and the school's next three contests (non-league, league, invitational tournament, post-season {league, section or state} playoff). In unusual circumstances, the NCS Commissioner may increase the suspension up to six games. The player must also complete the NFHS online Sportsmanship course.

A player ejected a second time for gross unsportsmanlike conduct, assaultive behavior/fighting (throwing a punch; striking an opponent with fist, locked hands, forearm or elbow; kicking or kneeling; biting) or leaving the bench area to begin or participate in an altercation shall be ineligible to participate in the remainder of the season (includes post-season play). There is also a mandatory six contest sit out associated with a second ejection. If the team participates in less than six contests during the remainder of the season, the player must sit out the remaining number of contests the next year, or if a senior, in the next season of sport. The player must also complete the NFHS online Sportsmanship course.

Players required to complete the NFHS Sportsmanship course may not participate until the course has been completed and the certificate of completion has been forwarded to the league commissioner, or NCS Coordinator of Officials for Non-League Affiliate Members. A player on a team competing in an out-of-Section tournament, may delay completion of the required NFHS Sportsmanship course. The player may continue to participate in the tournament after the appropriate contest suspension, but must complete the NFHS Sportsmanship course prior to the next non-tournament contest.

During the contest(s) for which the player is ineligible, the player may be on the bench in street clothes for the duration of the suspension.

A player ejected from a sub-varsity level contest must sit out the next contest at that level. Additionally, if the player is moved up to the next level to participate, prior to serving the penalty, the player must sit-out the next contest at the next level. The player will still need to sit-out at the sub-varsity level if/when that player is moved back down. A player may not be moved to a lower level of competition until the sit out requirement has been completed at the level the ejected player was competing.

A player ejected in the last contest of the season for an offense that requires the completion of the NFHS Sportsmanship course, must complete the course within ten (10) school days. If the ejected player was competing at the sub-varsity level, the player may not be moved to the varsity level for post-season competition.

Before a player may return to participate in a contest following a multiple contest suspension, the school principal or his/her designee must inform the NCS Commissioner that they have met with the student-athlete, his or her parent/guardian/caregiver and coach to discuss future behavioral expectations. The NCS Return to Competition Form

must be returned to the League Commissioner and the NCS Commissioner of Athletics or his/her designee before the player is eligible to participate in the team's next contest. Non-League Affiliates must return the form to the NCS Commissioner of Athletics or his/her designee.

2. Coaches

A coach who is ejected from a scrimmage shall complete the NFHS sportsmanship course prior to the next contest. During a scrimmage, if more than one player or one coach from a team is ejected or participates in a fight, then the team and coaches shall complete the NFHS online sportsmanship course prior to the next contest, the team shall lose one (1) practice the following week and will be put on probation for the remainder of the school year.

A coach, assistant coach and/or coaching representative who is ejected from a contest for violation of a NFHS or sports governing body rule (other than assaultive behavior/fighting) shall be disqualified from any coaching activities for the remainder of the day and the school's next contest (non-league, league, invitational tournament, post-season {league, section or state} playoff).

A coach, assistant coach and/or coaching representative ejected a second time from a contest during one season for violation of a NFHS or sports governing body rule (other than assaultive behavior/fighting) shall be prohibited from coaching or attending the next three contests for that team. In unusual circumstances the NCS Commissioner may increase the suspension up to six games. The ejected person shall also be prohibited from coaching or attending all NCS or CIF post-season contests for which the team qualifies.

A coach, assistant coach and/or coaching representative ejected a third time from a contest during one season for violation of a NFHS or sports governing body rule (other than fighting) shall be prohibited from coaching or attending the remaining contests of the season (including post-season play). If there six or fewer contests remaining in the season, the coach would be disqualified from participating for up to six contests the following season.

A coach, assistant coach and/or coaching representative who is ejected from a contest for Gross Unsportsmanlike Conduct, Fighting or Assaultive Behavior shall be prohibited from coaching or attending the remaining contests of the season (including post-season play). If there six or fewer contests remaining in the season, the coach would be disqualified from participating for up to six contests the following season.

In the event of an ejection, the coach, assistant coach and/or coaching representative will immediately remove themselves from their coaching responsibilities in accordance with National Federation or sport governing rules for the respective sport. The coach, assistant coach and/or coaching representative must leave the vicinity of the playing

area immediately and is prohibited from any contact, direct or indirect, with the team players and other team personnel during the remainder of the contest. If there is no other coaching representative who is certified by the school in accordance with CIF Bylaw 503, the contest shall be terminated and declared a forfeit. The offending coach's school will be credited with a loss and the opposing school shall be credited with a win.

The ejected coach, assistant coach and/or coaching representative will be prohibited from attending the next contest for that team or any other team in the same sport prior to serving the penalty. Coaches also must meet with their respective Athletic Director and/or School Administrator and complete the online NFHS Sportsmanship course.

The coach may not attend any contests until the course has been completed and the certificate of completion has been forwarded to the league commissioner, or NCS Coordinator of Officials for Non-League Affiliate Members. A coach on a team competing in an out-of-Section tournament, may delay completion of the required NFHS Sportsmanship course. The coach may continue to participate in the tournament after the appropriate contest suspension, but must complete the NFHS Sportsmanship course prior to the next non-tournament contest.

A coach, assistant coach and/or coaching representative ejected in the last contest of the season must complete the NFHS Sportsmanship course within ten (10) school days.

Before a coach, assistant coach and/or coaching representative may return to participate in a contest following a multiple contest suspension, the school principal or his/her designee must inform the NCS Commissioner that they have met with the individual and athletic director to discuss future behavioral expectations. The NCS Return to Competition Form must be returned to the League Commissioner and the NCS Commissioner of Athletics or his/her designee before the individual is eligible to participate in the team's next contest. Non-League Affiliates must return the form to the NCS Commissioner of Athletics or his/her designee.

3. Spectator

If a spectator is ejected from a contest, it is the responsibility of the school to ensure that person does not attend that team's next contest. If the same spectator is ejected a second time, it is the responsibility of the school to ensure that person does not attend any of the remaining contests for that season.

4. Illegal Participation in the Next Contest

Illegal participation in the next contest after a player, coach, assistant coach and/or coaching representative has been ejected shall result in the contest being forfeited and the ineligible player, coach, assistant coach and/or coaching representative shall be ineligible for the next contest.

5. Multiple Ejections

When a school incurs three or more ejections (not including fan ejections) in the same sport and level of competition during the season the following is required:

- a. The Head Coach must meet with the Athletic Director and/or School Administrator to review the Sportsmanship guidelines in the NCS Sports & General Rulings Handbook.
- b. The Head Coach must complete the NFHS Sportsmanship course and forward the certificate of completion to the League Commissioner. Non-League Affiliate Members must send the certificate to the NCS Coordinator of Officials.
- c. The school must develop an action plan for the team regarding sportsmanship and forward the plan to the League Commissioner. Non-League Affiliate Members must send the action plan to the NCS Coordinator of Officials. The plan must be submitted within five business days after notification of this requirement is sent to the school.

If a varsity level team has any further ejections after the school has been notified of the requirement to complete an action plan, the team will not be allowed to host during the NCS Championships for that sport. The NCS Commissioner has the authority pursuant to the NCS Sports & General Rulings Handbook (300H), Board of Managers Policy Statement to impose additional sanctions on the school regarding sportsmanship issues.

6. Players Leaving Bench Area

The school, league or NCS may use videotape or other electronic video to identify players who have left the bench area to begin or participate in an altercation. This identification may be made after the jurisdiction of the contest officials has ended. Players so identified are subject to the penalties outlined in D.1. Videotape or other electronic video may also be used to identify players who were erroneously identified as having left the bench area.

7. Physical Assault of an Official

A physical assault is the intentional infliction of or an attempt to inflict a harmful or offensive touching or contact upon the person of an official. The rule is violated even if no contact is made with the person of an official. Such conduct shall include verbal threats and/or intimidation either before, during or after the contest. The NCS Commissioner of Athletics will notify the member school of an alleged assault by a player, coach, assistant coach and/or coaching representative. The competing schools and officials will be required to file written reports within ten (10) days of the incident. After reviewing the material, the principal or Head of School involved will be required to respond to the NCS Office concerning his/her investigation of the incident. The responding school must also indicate action to be taken by the school concerning the alleged incident. The person alleged to have physically assaulted an official shall be ineligible to participate in or attend any contests until the investigation has been completed and the NCS Commissioner of Athletics has accepted the results and recommendation of the school's investigation.

E. Appeal Process for Multi-Game Ejections

The school principal or his/her designee may submit an appeal within 48 hours of the date of the ejection related to the incorrect identification of an ejected player or coach or a misapplication of the rule. Videotape or other electronic video may be used to assist in the correct identification of the player or coach who should have been ejected. If a school alleges there was an incorrect player or coach ejected, the school must identify the correct player or coach as part of the evidence provided. Appeals shall be heard by the ejected player's or coach's League President/League Commissioner for a regular season contest not including the final contest prior to Section playoffs. Non-League Affiliate Members must submit their appeal to the NCS Coordinator of Officials. Appeals for misidentification in the final contest of the season and all Section or CIF playoff contests shall be made to the NCS Commissioner.

There will be no appeal regarding the judgment of an official or for single game ejections.

Q1: If an official disqualifies an athlete as prescribed by the NFHS rules for that sport, will a suspension be required?

A: If, in the review of the report filed by the official, it is determined by the Section Commissioner, or his/her designated representative, that the actions of the player do not involve unsportsmanlike conduct*, a suspension may be waived.

*Note: If a player is disqualified for a flagrant type foul (flagrant foul, flagrant misconduct, serious foul play, malicious conduct, violent conduct etc.), the suspension may not be waived.

Q2: If it is determined by documented and/or video evidence that a player is disqualified from a contest erroneously, will a suspension be required for that player?

A: If, in the review of the report filed by the official, it is determined from the use of documentation and/or video evidence by the Section Commissioner or his/her designated representative, that the player has been misidentified or disqualified erroneously, a suspension may be waived.

Note: If a player was misidentified, the school must provide the name of the correct player who should have been disqualified and that player is subject to the appropriate disqualification penalties.

Q3: Sometimes an official will reverse their initial call at the conclusion of the contest. Can the official reverse his/her original call?

A: If, in the review of the report filed by the official, it is determined that he/she made an incorrect ruling, the official may rescind the initial report.

Note: If an official misapplied a NFHS or sports governing body rule which resulted in the disqualification of a player or coach, the official may rescind the initial report. The officials' association that assigned the official to the contest should concur with the rescinding of the report. An official may not rescind the disqualification of a player(s) or coach for fighting, or the disqualification of a player(s) for leaving the bench area.

F. Awards Ceremony

Any player, coach, assistant coach and/or coaching representative who has been ejected from a NCS or CIF Regional/State championship contest for unsportsmanlike conduct, fighting or leaving the bench area to begin or participate in an altercation will be prohibited from participating in the awards ceremony.

G. Process to Change the Ejection Policy

League commissioners shall annually review the content of the Ejection Policy with representatives of its member schools and make recommendations for change. The league commissioner will direct such recommendations to the NCS Sportsmanship Committee ("SC"). Non-League Affiliate Members may forward proposed Ejection Policy changes to the SC. The SC will determine whether to forward recommendations to the Sports Advisory Committee for consideration.

H. Process to Amend Sport Specific Rules Summary

The NCS Commissioner or designee shall annually review the Sports Specific Rules Summary and make changes as necessary to correspond with changes made in the NFHS or sports governing body rules dealing with sportsmanship issues.
