

Why Choose Career Education at College of Marin?

HIGH QUALITY INSTRUCTION. Our instructors are highly experienced professionals recognized as experts in their respective fields who understand the needs and trends of their industry.

SAVE MONEY. COM prepares students for careers at a fraction of the expense of private programs. Tuition fees are as low as \$46 per unit for California residents.

GET INTO A CAREER FASTER. Most career programs can be completed faster than degree programs. Students can complete certification for a new career in as little as two semesters.

SMALL CLASS SIZE. Most COM classes have 10-22 students. This low student-to-teacher ratio allows instructors to work individually with students as needed while covering material in-depth.

CAREER TRAINING OPTIONS FOR HIGH-DEMAND JOBS. COM has career training programs in a wide array of the fastest growing fields, including business and health.

REAL-WORLD EDUCATION. In addition to its career-focused curriculum, COM offers work experience and internships to give student career exposure and increase job opportunities upon program completion.

RECEIVE FINANCIAL AID. Federal and state aid is available year-round and COM offers needs-based and merit-based scholarships
