

Attendees: Spiro, Lisa, David, Lorena, Tadashi

Most of meeting related to upcoming V-Day concert/event

Biggest take away from Tam High Foundation Meeting is do not say the word raffle in any material (on or offline) Against state law not to pre register and THF is very worried.

We're having a "Sweetstakes" to give away sweets and prizes. Messaging must be run by THF first. No pre tickets will be sold. All done at event.

Also 2 of the 4 of us at tonight's meeting are not getting THUMB newsletters or emails including David. Will add any and continue to ask for emails at events. Not sure how else we can address the issue.

Valentine Event Details:

7-8:45 time.

Event name is Musical Treats and Sweets

Spiro wants desserts pre-plated and covered so kids aren't all over table and people get enough for \$10.

He suggested new coffee place in Tam Junction for coffee to help promote- Red Whale? Equator donation second choice. Hopefully Patty can request like last year. Wants reg and decaf. Also THUMB carafe for hot water and have teas.

I'm going to look through Beverly's Google docs to try to find/edit last year's v-day poster and redo. Again, will take a minimum of a few days.

Beverly has more decoration stuff. I will contact her to pick up. Trees are hers. We'll offer to purchase from her and store in Music room. Apparently in SF now.

Getting some event sign ups but none are to decorate. Spiro wants time slot of last minute set up moved up to 5:30-6:30.

David still working on budget for Peyton's sweets and adding Trader Joe's and Safeway. No one has specific v-day cookies out yet. Gave David some more pricing tonight. (24 brownies for 6.99, 36 chic chip cookies for 6.99, at Safeway. Truffle box and heart cookie box at TJ's for 2.99)

Plan for 250 guests.

No dinner for kids. Call time will be 6pm. Everyone (including students) pays \$10 for ticket for plate and cup. Separate color ticket for sweetstakes. Must be present to win.
