

End of the Semester

As we come to the close of fall semester, I hope everyone has a chance to study, reflect and recognize all the student, staff, parent and community effort that has gone into the great success Redwood has seen. Not only are students succeeding academically at very high rates, their creativity, civic efforts and athletic efforts have been recognized by others. Our Ecology Action Club was awarded Most Creative Campaign Action for their video encouraging energy conservation. Our Film Focus group took first place in the Project Accessible Hollywood (PAH) Film Festival this past weekend and Glennis Murphy ran the fastest Cross Country time of all California runners in the West Regionals and will now compete in Nationals. These examples of excellence are just the visible examples of the achievement that occurs every day at Redwood due to the collaboration of the entire Redwood community. Thank you to our students, staff and parents for making Redwood the great school it is! Have a wonderful vacation, holidays and New Year and good luck with finals next week!

From the Redwood Foundation President

As 2015 draws to a close, we want to express our sincere gratitude to our parent and business donor community for contributing nearly \$600,000 to the Foundation this semester. Thanks to your generous donations, we have already underwritten over \$500,000 for allocations and grant requests from teachers, students, coaches and staff. The money has been used to fund equipment, projects and initiatives for academics, arts and athletic programs.

Redwood's 1,700+ students are already benefitting from the donations received this year! We can all take pride in Redwood's ranking as one of the top public high schools in both the state and the country. Foundation supporters have helped put our school at the top of this list by equipping our teachers and staff with the tools they need to educate our students at the highest level.

Our work at the Foundation is far from over. Our vision to enable Redwood's students to reach their highest potential is only limited by the funds we raise. ***Please help us meet our goal by raising the remaining \$300,000 so we can continue our support of the Student Wellness Center, update resources in the classrooms, improve our athletic facilities, and meet other pressing needs to ensure our children's success.***

Please consider making a year-end donation or pledge to the Redwood High School Foundation.

Pop Up Party to Support Redwood

You're invited to a holiday Pop-Up Party to support Redwood on Wednesday, December 16th from 6pm-9pm at Athleta in Corte Madera. 10% of all purchases will be donated to the Redwood Foundation to support our students and staff. While there will be refreshments served that evening, ANY purchases made in the store that day, ALL DAY, will qualify. Simply mention Redwood High School when making a purchase and Athleta will include it in their donation amount.
