San An Families and Students,

We are looking forward to seeing all students virtually on Wednesday, August 19th at 11:00 AM. We know this is a really challenging time for everyone and we are looking forward to providing a high quality instructional program to all students with a great deal of support.

**First Week of School Schedule (follow this schedule August 19, 20, 21):**

- Students have Zoom class from **11:00 AM - 1:00 PM** Wednesday (Aug. 19), Thursday (Aug. 20), Friday (Aug. 21)
- All students should use the following Zoom link for Wednesday, Thursday, and Friday: [https://zoom.us/j/93441645606](https://zoom.us/j/93441645606)
- **Important:** When students sign into the Zoom class they must use their name otherwise their admittance will be delayed or possibly denied
- A more detailed schedule of the first week of school is also posted on the San Andreas HS website ([https://www.tamdistrict.org/sanandreas](https://www.tamdistrict.org/sanandreas))
- Staff will also be reaching out to all new students to have 1:1 check-in meetings during the first week of school.

**Distance Learning Schedule (follow this schedule starting August 24th)**

Students and families will also receive electronic schedules by Wednesday, August 19th via email that will coincide with our distance learning schedule that will begin on Monday, August 24th. I will send a reminder about that schedule at the end of next week. A copy of our San Andreas Distance Learning Schedule for R1 is available on the website. We have tried to design a schedule that will maximize access and participation for all of our students. Please don’t hesitate to reach out if you have any questions regarding the schedules. If you have specific questions about your students schedule you can reach out to our counselor Katie Phelps (kphelps@tamdistrict.org).

**Chromebooks (Pickup Tuesday, August 18th):**

Any San Andreas students needing Chromebooks should come by the school on Tuesday, August 18th between the hours of 9:00 AM and 3:00 PM to pick up a Chromebook. No appointment necessary. Please wear a mask and follow social distancing protocols. We strongly encourage that every student have a Chromebook or a personal computer/laptop. Phones and tablets are not ideal for our distance
learning platform. If you determine your student needs a Chromebook after August 18th just let me know and we can have one available.

Please do not hesitate to reach out to me or any of our team if you have any questions.
